## The Future Looks Bright

### ORR's Class of 1993 Ventures Out Into "The Real World"

By J. A. Wong

The 122 graduates of Old Rochester Regional High School, marching together as a class for the last time, took to the football field for commencement ceremonies on Saturday afternoon, June 5. In full cap and gown attire, they strolled in pairs to the beat of the high school band's, "Pomp and Circumstance."

Class President Jason Dean, who will be attending Syracuse University in the fall to study Communications, welcomed parents, friends of graduates and his classmates,

"It is exciting to see all the progress we've made as young adults and with each other ... as classmates and as friends," he said. "Some say (high school) is the best four years of your life. Maybe, maybe not. But for us, it has been a great four years."

He made his feelings clear by quoting Dr. Fraser Crane, psychologist on the famed television sitcom *Cheers*.

"Time goes by so fast ... people move in and out of your lives; you must never miss an opportunity to tell these people how much they really mean to you," he said.

Principal James Egan remembered his first meeting with the class members four years ago. Back then, he told the Class of '93 that they could be the best class of ORRHS. Those words, four years later, seemed prophetic as he told the young men and women on Saturday: "This is the best class teachers or a principal could ask for."

Principal Egan also had a serious message for the graduates.

"The society we have given you needs to be repaired. It is a violent society ... make our society less violent. You have a responsibility to develop your potential to be leaders. My challenge is presented to you most optimistically," he said.

Although not a usual practice, Veronika Maria Liljander, AFS student from Sweden, had an opportunity to thank the Class of '93.

"You're the best," Ms. Liljander said. "You guys made it so easy for me. I was always comfortable around you." At the end of her tearful address she made the crowd laugh when she added, "If anyone ever comes to Sweden, make sure you stop by my house."

Valedictorian and Class Vice President, Christen Pusateri, reminded her fellow classmates to give something back to the school and the community in the future.

"You shouldn't go through life with a catcher's mitt on both hands. You need to give

something back," she said, quoting a favored author.

Once all the diplomas were given out, the graduating class stood tall. There were cheers, hoots and rounds of applause. Filing out of their chairs in an orderly fashion, they formed a circle on the field. The graduates lined up, shoulder to shoulder. When the count was given, 122 caps were tossed into the sky. As the graduates rushed together to hug and congratulate each other, the circle was no more. The field was filled with scattered caps, proud families and friends of Old Rochester Regional High School's Class of 1993. The moment was already becoming a picture-perfect memory.

Commencement ceremonies are forever filled with words of encouragement and challenge. On Saturday, the voices of wisdom came from all ages and backgrounds. With James Egan's reference to Shakespeare's *Hamlet* and Superintendent Joan Walsh's reference to the poetry of Walt Whitman, it is clear that people bring their own ideas and interpretation of what graduation means. The idea of graduation day being an end as much as a beginning, however, was echoed repeatedly.

Some of the graduates are optimistic about their futures and the challenges that face them. Amy Gaspar of Mattapoisett will be attending the University of New Hampshire in the fall as a Biology-General major. Ms. Gaspar has been a candy striper with Saint Luke's Hospital in New Bedford since November of her Freshman year. In answer to Principal Egan's challenge she wants to "Work in a hospital and help people."

Of her future, Amy simply said, "I want to just go and become a doctor."

Friends Kyle Spark and Abe Gunschel agreed

that the positive change that Mr. Egan spoke of can happen with "all the people coming together."

Berkeley College of Music is waiting for Kyle Spark of Mattapoisett who will be entering in September, while Abe Gunschel of Marion will be studying at Northfield's Mount Herman.

What can a graduating senior do to help effect the change that Mr. Egan described?

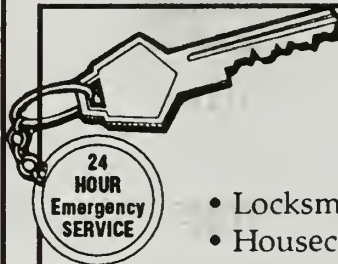

Kyle, who will soon be 18, says he will begin by voting.

"It's definitely going to take people helping out each other," he said, echoing the same sentiments of unity and camaraderie that made the Class of '93 so special.

be attending the 11:00 am Grand Opening of the Pope's Island Marina in Fairhaven.

• Monday, June 14 — 8:45 am, Flag Day Ceremony at Center School.

The board discussed a complaint filed by a town resident regarding the noise level and time of the mowing of the greens at the Reservation Golf Course. Earlier this week, Chairman DeCosta and Selectman Lambalot looked into the complaint by visiting the golf course at 6:30 am. They concluded that the course's mower was no louder than an average lawn or rider mower. Proposed restrictions to be imposed on the maintenance of the greens will be discussed with Mr. Morra of the Reservation Golf Course during next week's meeting.

At 7:30 pm, the board met with William T. Nicholson, Water/Sewer Superintendent, on what direction to take regarding the sewer payment owed to the Town of Fairhaven that failed to pass on an override at the last Special Town Election. Selectman Mahoney discussed the voters' uncertainty for what they were voting and proposed the creation of an informational brochure before the next Special Town Meeting. The board also discussed a time extension between the Special Town Meeting and the town election, as well as a press conference with the board and Water/Sewer Department.

Incoming correspondence for the week included:

• Letter from the Mattapoisett School Committee notifying the board that a vacancy exists created by the resignation of Stephen Valliere. A meeting has been scheduled for Tuesday, June 29, between the Selectmen and the Mattapoisett School

## Marion Selectmen's Meeting June 8, 1993

A regular meeting of the Marion Board of Selectmen was called to order on Tuesday evening, June 8, at 7:00 pm by Chairman James S. Dougall. Also present were Selectman Lorretta B. Schaefer, Selectman Albert E. Winters, Executive Secretary Ray E. Pickles, and Secretary Helene Craver.

After signing the warrants for the week and approving the minutes of the June 1, 1993 meeting, the board next appointed Eric P. Labonte of Front Street to the Recreation Committee to fill a vacancy in the wake of Catherine Brown's decision to not serve another term. The board also appointed Vernon Ingraham of Lewis Street, at his request, to the Housing for the Elderly Committee.

The board also granted two All Alcoholic Beverage licenses to Tabor Academy for the Marion to Bermuda Race Dinner and for the school's Alumni Weekend festivities.

The board next considered a memo from Ray Pickles regarding the board's summer meeting schedule. According to Mr. Pickles, the board has a very busy summer season ahead with union contract negotiations pending. He recommended that they continue to follow the same weekly schedule through the month of June and that they alternate during July and August, meeting on the following dates: July 6, July 20, August 3, August 17, resuming the regular weekly schedule with the August 24 meeting. This would leave only August 10 as a "free" date and then use the alternate weeks for contract negotiations.

The board unanimously approved this recommended schedule, pending any last minute changes as they arise.

Mr. Pickles next gave the board a brief

progress report on the repairs and renovations being made to Taber Hall in preparation for the new tenants who are anxious to move in by the end of the month. The board officially awarded the high bid of \$700 a month plus utilities for the next 14 months to Jane Patterson who will be living in the building with her three children. "We'd like to finish painting and fixing up the place so she can move in as soon as possible," Mr. Pickles said.

Chairman Dougall next noted a letter from Rep. William Straus thanking the board for their recent support for House Bill 5200, which would grant local aid to area municipalities via highway monies and cherry street reimbursements from the state.

At 7:20 pm, the board met with James Muse regarding a recent complaint waged by his mother over three Rotweiler dogs owned by her neighbors, Mr. and Mrs. Donald Powers of Delano Road. According to the letter sent to the board from Ms. Muse, on May 22 the dogs broke free from the Powers' property and held the members of the Wynn family at bay for some time, necessitating a call to the police department.

Mr. Muse said he came before the board to see if they could do something to prevent a similar occurrence from happening in the future.

complaint, I really don't want to be here," Mr. Muse said. "This is just becoming a matter of public safety as far as I'm concerned ... I know myself and others are afraid of going near the house for fear of the dogs."

Since this is the first time the dogs have been loose, the board said there is little that can be done at the present time. "We cannot restrain the dogs after only one incident," said Mr. Pickles. "The best thing to do is to send the dog officer to the house and advise them of the potential problem."

Selectman Winters agreed. "Unfortunately this is going to take more than a single incident to do something in the way of restraining the dogs," he said. "By the same token, we don't want to deny anyone the right to keep dogs on their property."

At 7:25 pm, the board held the first of their scheduled appointments with department heads to go over their fiscal budgets. First up was Department of Public Works Superintendent Robert C. Zora, who basically reviewed his budget line-by-

line and said he felt comfortable that he had enough money to finish out the fiscal year. "By the last week we'll be pretty close to the bottom line on our payroll," he said. "We won't know exactly what will be left until we close out for the year ... and any money left over will be turned back to the town. We can't expend it."

The general mood of the meeting was changed when Harbormaster George Jennings next met with the board at 7:50 pm. Mr. Jennings briefly reported that his department is in good shape, financially, and he expected to have a little money left over which will be put back into harbor receipts. But then Mr. Jennings spoke candidly about the message the board is sending to the various departments in scrutinizing their budgets and making remarks about foolish spending.

"I didn't like the inference that we're all moving slush funds around and I'm quite frankly offended because it plays into the hands of people who thrive on negativism," he said, referring to comments made by Chairman Dougall in a recent newspaper article. "We've all got so much to do, we don't have time to answer to people who don't know what's going on. I'm going to say right now that I think all the department heads do a damn good job in preparing the budgets and I think you're sending the wrong message."

Chairman Dougall said he had no problem with Mr. Jennings' budget and thought he was the best prepared of all the department heads. "I wish other departments were as well organized," he said. "And my comments were made mostly in reference to the Recycling Committee."

Resident Tyler Blethen negated Chairman Dougall's remarks, saying the Recycling Committee budget, which falls under the Department of Public Works, was mandated by the state and Mr. Zora implemented the program without additional compensation for his efforts.

"There's been a very negative attitude going around town lately," said Selectman Schaefer in opposition to the nitpicking of departmental budgets. "Let's get the positive things out. Our people are doing a great job. To sit here and go over each budget line by line is a waste of time as far as I'm concerned. If the budgets are overrun, it's too late to do anything about it with only three weeks left in the fiscal year."

The board met with both the Board of Fire Engineers and Police Chief Brian J. Scott to review their fiscal budgets and various upcoming projects as well. Both agreed that they should have ample funds to complete the fiscal year (ending June 30) and the board seemed content that things were being well monitored in terms of financial planning.

Mr. Pickles next noted that the board is about ready to go out to bid on the Mill Street extension project. A list of specifications is being sent out to area contractors who are capable of doing the job and Mr. Pickles noted that they are requesting a maximum of three weeks to complete the project so the road won't be tying up the road for a long period of time. Bids will be opened on June 18.

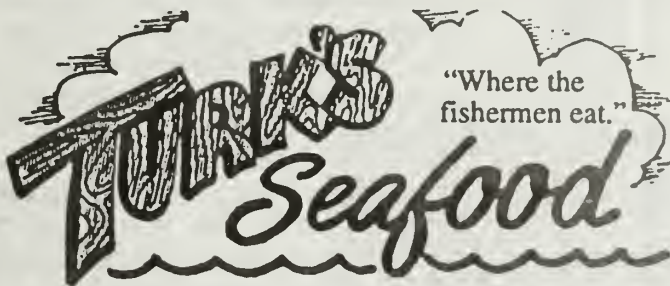

Under incoming correspondence for the week, Chairman Dougall noted several items, including:

- Memo from the Recreation Department asking the board's permission to award a surplus

Mercury sailboat to the high bidder (Keith Manchester of Dartmouth) for the sum of \$1,011.63.

- Notice from Regional Sanitarian Karen E. Walega regarding violations at property located on 922 Point Road. Ms. Walega notified the owners that they must remedy the problems within 30 days.

- Memo from the Planning Board asking the board's advice for changing the rotation of vacant seats on the board so an equal number is up for re-election each time. According to Mr. Pickles, the only way to change the term is through an Annual Town Meeting vote and the board requested that he draw up an article to that effect for next year's

### Rochester Selectman's Meeting June 7, 1993

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, June 7 at 7:00 pm by Chairwoman Lorraine Roy Hawkes. Also present were Selectman David L. Hughes, Selectman Michael Murphy, and Administrative Secretary Shirley A. Ferreira.

After approving the minutes of the June 1 Selectmen's meeting and the June 2 Executive Session with some additions from Chairwoman Hawkes, the board met with Harry A. Brown Jr. to discuss the upcoming plans for the town's Enhanced 911 emergency telephone system (E-911). According to Mr. Brown, he has already submitted a copy of the plan to the state telephone company and has corrected several "snags" in the town's street address guide and master list of street addresses.

"Since Rochester has only one zone for emergency service, we only had to fix some problems with street addresses and add those streets not already on the master list," Mr. Brown said. "We also had to list those cases where some (telephone) exchanges use 291 and 295 (instead of 763)."

The main concern now before implementing the new emergency telephone system is getting all

the houses numbered correctly and having residents make sure that their address is clearly visible from the main road on which they are listed. Mr. Brown said he will be sending out notices and letters to advise residents of this fact.

In some cases — as on Burgess Avenue and the newly-named Gifford's Lane — Mr. Brown had to make changes in address numbers, with the blessing of the Planning Board, in order to make sure the numbers follow a sequential order and are easier to locate.

"We have to make sure that every building where there is a telephone has a proper street address," he said. "Everything else is done and has been submitted. Now we just have to sit back and wait."

Mr. Brown said the E-911 system should be in full swing by next spring or early summer at the earliest. With other municipalities vying for the same service, it will take time for the phone company to implement the project in Rochester.

At 7:16 pm, Chairwoman Hawkes called upon Colin MacPhail of the Gateway Auto Club to discuss pending matters with the organization's Sunday afternoon events at the Plumb Corner Mall across from Town Hall. According to Chairwoman Hawkes, the board wanted to talk to Mr. MacPhail in the aftermath of complaints about the noise level from the club's music system during their afternoon auto shows.

"The state's maximum decibel level is 120," Mr. MacPhail said in defense of the complaints. "I've never exceeded 80 decibels and we never play past 10:00 pm which is the latest we can play by law ... most times we never go past 9:00 pm."

Selectman Hughes said he had received two complaints — one on May 30 and one on June 6 — which were the club's first two meetings for the season. Both complaints were made from a resident on New Bedford Road, which is some distance from the mall area.

"As I understand it, both times the police came to the mall and told them to turn down the music," Selectman Hughes said. "I went there and found that the music was not loud, and I have good hearing."

At Selectman Hughes' suggestion, Mr. MacPhail and his partner, Wayne Pittsley, came before the board to discuss the matter before it became a problem with the aforementioned neighbors. The board seemed amenable to the club's cooperation and noted that it is run by responsible adults who bring in both business and entertainment to the town.

"We were established in October 1991 and have some 62 members — 41 of those are family memberships, which is unheard of for a car club," Mr. MacPhail said. "We are invited guests of the owners of (the Plumb Corner Mall) and we're here to help the town and the families that live here. On any given Sunday afternoon, there's a million dollars or better sitting in that lot ... and that helps bring both people and money into the town."

The board agreed that as long as the club remains within the law, they see no problem with their continuing as they have every Sunday. "My feeling is if they're not exceeding the state decibel level and they're bringing business into town, they should be allowed to continue as they've done in the

past," Chairwoman Hawkes said.

At 7:35 pm, the board called a hearing on the petition of New England Telephone for a joint pole location on New Bedford Road to remove a tree guy (wire support for pole) at the site. There being no abutters present and no one to contest the petition, the board unanimously granted the petition.

Under incoming correspondence for the week, Chairwoman Hawkes began with a cover letter and copy of a letter sent to abutters of Old Colony Regional Vocational Technical High School from Superintendent David J. Ferreira in keeping with the recommendations of the Department of Environmental Protection (DEP) concerning the school's groundwater supply system. The letter advises neighbors to take precautions against contaminating the groundwater through leaking septic systems, application of toxic or hazardous materials to lawns, and the disposal of hazardous waste (motor oil and the like).

A newsletter and further updates on the E-911 Statewide Emergency Telecommunications System was next sent to the board for their perusal. The deadline for filing for the E-911 system is July 3, 1993, and Chairwoman Hawkes noted that Mr. Brown has already filed all the necessary paperwork for Rochester well before the deadline.

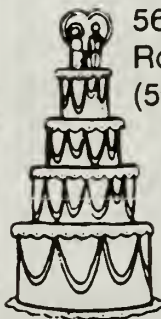

The board then unanimously approved a transfer of \$159.61 for various items used during the Memorial Day exercises held last week in and around Town Hall and the Dog Warrant, re-appointing Thomas Gayoski Jr. as Dog Officer for the town.

Under New Business, Chairwoman Hawkes

noted a memo from Police Chief Walter V. Denham regarding an early morning accident on June 4 which involved a truck and a BMW. According to Chief Denham, Mr. Dennis Dufresne of North Dartmouth — the man driving the truck — was responsible for pulling Ms. Chong-Yee Chang from the burning vehicle before it exploded, effectively saving the woman's life. He requested that the board issue a citation to Mr. Dufresne for his brave actions and the board agreed to invite both Mr. Dufresne and, depending on her condition, Ms. Chang to the June 21 meeting for the presentation.

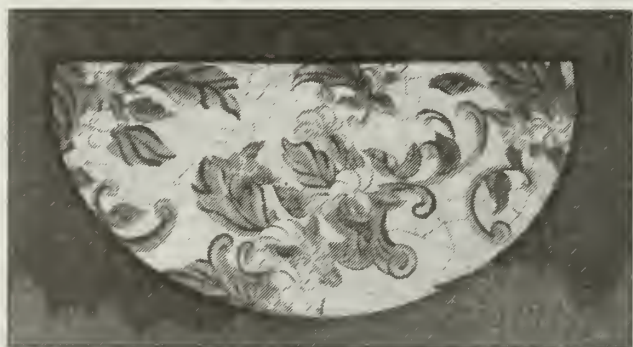

Chairwoman Hawkes next noted a letter

from parents of the ORR High School Boys Track Team who are soliciting donations and/or assistance in purchasing championship jackets for the team. The 41-member squad just completed an undefeated season and won the state championship in their division. Those interested in assisting with this cause can send their donations to Cynthia Ziewacz, 3 Winfield Street, Rochester, MA 02770. Please make checks payable to "Cynthia Ziewacz/Track."

Another memo from Chief Denham was next sent to the board regarding an opening at the next Police Academy for a full-time officer, beginning June 28. Chief Denham noted that one Reserve Officer, Sean Joyce, has expressed interest in serving as a full-time officer with the department and would like to attend the academy. However, Chief Denham asked the board's permission to first promote Mr. Joyce to a full-time officer and then wanted their support in the event of overextending his budget with medical and/or insurance expenses.

"If we miss sending the recruit to this class, we'd probably be spending more money in the future in having to send him elsewhere full-time," Chief Denham said. "It's advantageous to the town and the officer because the class is local. I just wanted the board's approval in case we run into additional expenses before the end of the fiscal

After determining that Mr. Joyce would be willing to pay for the first three days of the academy himself in case the department's budget did not cover his costs, the board agreed to back Chief Denham's recommendation and moved to appoint him on June 21 as a full-time police officer with the department, effective June 28 and pending his meeting all police academy criteria. The board also agreed to provide funds, if available, for his initial three days at the academy prior to the start of the next fiscal year (July 1).

submitted a proposal for repairs to the Mary's Pond bridge to the board for their review. Selectman Hughes asked that his fellow board members look over the plan and prepare for a discussion at the June 21 meeting.

The board would next convene at the Tri-Town Selectmen's Meeting to be held at the Marion Town House on Thursday, June 10 at 7:15 pm and will hold its next regular meeting on Monday, June 21 at 7:00 pm. There being no further matters to discuss, they adjourned for the evening at 8:21 pm.

## Letters to the Editor

To the Editor:

We the undersigned, as members of the Rochester Conservation Commission, wish to express our utter dismay and serious disappointment in (the Board of Selectmen's) failure to reappoint Georgia D. Chamberlain to the Conservation Commission. This non-action is totally incomprehensible. It is patently clear that, with all her knowledge and expertise, she is the only truly qualified individual available for consideration.

Since the Conservation Commission is the local enforcement arm of state law, it is extremely important, especially in Rochester, that this function be carried out by members who are both knowledgeable and skilled at this task. Therefore, it

# THANK YOU FROM ALL OF US

The students and staff at Center School would like to extend their sincere thanks to the following people and organizations for their many hours of volunteer service during the 1992-93 school year. Their dedication and commitment to our students truly enriches their learning, and is what makes Mattapoisett so special. Thank you for making Center School a great place to learn and grow in.

is incumbent upon the Board of Selectmen that appointments to this critical board are made with the goal of insuring that this Commission has members who are capable of carrying out their mission under the law.

To place someone who is untrained, unskilled, and without the necessary understanding of the law on the Commission would be the height of irresponsibility on (the Board of Selectmen's) part. It would indicate that (they) do not take seriously the idea of considering qualifications and skills. Personality differences have absolutely no place in good government. To use that kind of evaluation in (their) deliberations demeans (them).

We request that (the Board of Selectmen) reappoint Georgia D. Chamberlain to the Rochester Conservation Commission. By doing so, (the board) will demonstrate to the town that (they) can do the right thing and not cheapen our government with petty "politics."

Massachusetts Department of Revenue) which could result in increased taxes, reduced local employment and by-pass of the channels of democratic government in Marion.

According to a local newspaper report, this group pays no rent per se, yet occupies space needed for legitimate town work and has done so for seven years. The voters' denial for the town's support of this group was made very clear by the overwhelming defeat of Article 21 at this year's Town Meeting which raises the question by what authority is this group in the Town House contrary to the town's legislative body.

To point up how far afield matters have been allowed to deteriorate, one needs only to read a recent Buzzards Bay Action Committee (BBAC) release in regard to taxes affecting the citizens of Marion which excludes Marion's legislative process by their statement of May 12, 1993 about taxation: "These issues will be addressed in the months ahead by the BBAC along with ... the Massachusetts Department of Revenue."

For the selectmen of the Town of Marion to permit themselves and the town legislative body to be subjugated by a non-elected and non-appointed body is tantamount to a dereliction of duty to preserve and protect the democratic process for

This letter is a request that a public hearing be held and preceded by public notice in the press and that all interested parties be requested to attend and that each organization outside the structure of town government now operating through the Marion Town House be required regularly to submit a full written report of their assets, activities, sources of revenue, salaries and expenditures together with an organization chart of their personnel and their channels of responsibilities and authorities by which the voters of Marion may determine their occupancy

## Notice to the Residents of Rochester

The Town of Rochester has applied for Enhanced 911 (E-911) emergency telephone system for quick response by our Police, Fire and Ambulance Service to our residents and businesses. In order for the system to operate properly and meet the requirements every building or dwelling that has a telephone, or may have one in the future, must have a street address.

The street address number must be posted on your property. It is recommended that your house number be placed on either side of your entrance (not above or below the door), capable of being illuminated in case of an emergency. In case the dwelling entrance is not visible from the roadway, a mailbox on your side of the road, or a post with a number painted on each side will meet the requirements. Numbers should be large enough to be easily read by an emergency vehicle responding to your home.

Unfortunately, some locations will now require renumbering of your address due to errors made when originally numbered. We ask that you comply with the new address that you will be receiving shortly. The U.S. Post Office will continue to deliver your mail for one year using your old address.

In accordance with the Town of Rochester By-Laws adopted several years ago and a recent change in the General Laws of the Commonwealth of Massachusetts, this is a regulation that is enforceable in a court of law. We ask for your earliest compliance.

If you have any questions or need further information, please call me at 763-5619.

E-911 Coordinator  
Town of Rochester

Rochester Regional Junior High School participated in a different kind of graduation ceremony last Thursday afternoon, June 3. Through the efforts of Mattapoisett Police Officer Paul Magee and the DARE (Drug Abuse Resistance Education) Program, the students have been exposed to the dangers of drug use and abuse and ways in which to avoid contact with them in the future.

During a formal "graduation" ceremony, during which each of the first-time DARE Program students were presented with certificates for having completed several hours of classroom participation, Brooke Knudsen of Rochester spoke on behalf of her classmates, who all wore red, black and white DARE shirts which were given to them prior to the ceremony.

"With the help of Officer Magee and the DARE Program, we've learned that drugs can only do harm," Ms. Knudsen said during a formal

presentation to those gathered in the school's main cafeteria/auditorium.

Also present during the event were several local town and state officials, including Mattapoisett Police Chief James F. Moran, Mattapoisett Board of Selectmen Chairman John N. DeCosta Jr., Plymouth County District Attorney William O'Malley, and Rep. William Straus, along with ORRJHS Principal Robert C. Gardner.

During their classroom activities, students were asked to create posters espousing the lessons taught them through the DARE Program. The winners for each homeroom were then recognized during the exercises. Top honors for the Red Team went to Beth Rolli and earning both the Blue Team and overall honors was Abbie Ladd.

Both District Attorney O'Malley and Rep. Straus presented special citations to Chief Moran and Officer Magee for their efforts in starting and maintaining the DARE Program at the school, and Officer Magee proudly thanked the many people who have supported and assisted him and the program since its inception.

### Volunteers Provide Flower Boxes for Town Hall

There's a new addition to the exterior of Mattapoisett Town Hall ... two white flower boxes which flank either side of the building's entrance.

This past winter, the Mattapoisett Woman's Club Garden Group chose the flower box design and made arrangements to have them built. Selectmen Chairman John N. DeCosta Jr. volunteered his services for the difficult task of building and staining

"The Fantasticks" is the longest running musical in the world. Over 13,500 performances from Beijing to Rejkevek have been staged, not to mention the 34 performances the show has seen since running at the Sullivan Street Theater in New York. Last year, the show received a special Tony award.

Reservations are now being accepted for the Art Center's production of "The Fantasticks" to be performed on June 17-19 and 24-26 at 8:00 pm. This classic musical about love features Paul Sardinha as El Gallo, Kurt Guba as the boy, Connie Paquin as the girl, Duane Minton and Peter West as the two fathers, character actors Jim Carr and Donald Durfee, and Kathleen Reed as the mute. Direction by Anne Schenck and musical direction by Peter West combine to make this a magical, musical masterpiece.

Local residents may recall that "The Fantasticks" was the first musical ever produced at the Marion Art Center in 1966.

Seating will be cabaret style with accommodations for singles and doubles as well. To reserve a table for ten or a chair for one, please call the Marion Art Center at 748-1266. Reservations are strongly recommended as space is limited in the intimate theater at the center. Tickets are \$12 for

### Muffin Drop is a Huge Success

Rochester's Friends for Fun organization, which has been working to construct a new playground facility in the town's Gifford Park, held their first-ever Muffin Drop Contest at the Plumb Corner Mall on Saturday, June 5. According to organizer Linda Towers, nearly 1,000 people filtered through the afternoon crafts fair and event, which began at 10:00 am.

After waiting some time, the first of the three cows — a mother, father and baby team donated through the courtesy of Rochester resident Peter MacGregor — "blessed" the first of the three winning squares, bestowing a \$500 prize on Cathi Fernandes of New Bedford. Ms. Fernandes, whose daughter was celebrating her birthday on that same day, used a portion of the money to purchase a new bicycle as a birthday gift.

The \$300 Second Prize went to a man simply referred to as "Spike" from New York. The Third Prize cache of \$200 went to Gary Cushman, a gym teacher at the town's Memorial School.

Ms. Towers wanted to thank the many people who helped and turned out for the event, including

## Book Review

### Midnight Baby

• Wendy Hornsby, Dutton, \$18

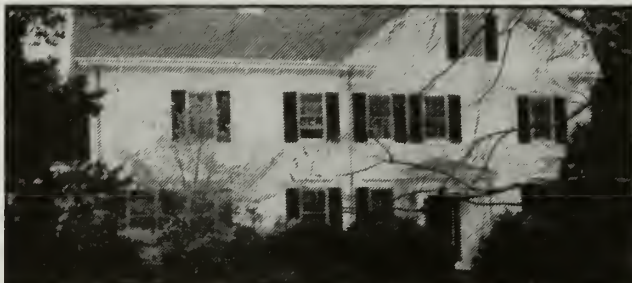

Maggie MacGowan is down from San Francisco again, filming a documentary on the gritty side of Los Angeles. This is the first time she has been back since last year when she and Sister Agnes Peter untangled the mystery and horror that surrounded the death of Maggie's sister. The sparks that ignited then haven't burned out yet.

The filming brings Maggie out onto the sleaziest of LA's mean streets where children hardly out of the grammar school playgrounds are playing new roles in a festering society. One, a girl who calls herself Pisces, no older than Maggie's daughter Casey, is caught by the camera and draws Maggie into a muddle of missing children and lost identities.

Maggie MacGowan keeps us turning pages with her struggles to maintain her professionalism when it is attacked from one side through her daughter by her rather cloddish ex-husband and his unthinking new wife and seduced from the other by her own desires that center on Detective Flint of the steely gray eyes. Maggie leaves us little to imagine about her feelings.

The author of *Midnight Baby*, professor Wendy Hornsby, is as at home in the classroom as she is behind the pages of her books. Her lectures on medieval history must certainly run to the evil part of it. She tells a telling tale — the characters are strong enough to feel through the cover of the book. And Maggie herself is as much of a charmer as her author.

St. Gabriel's Episcopal Church in Marion will host the girls of the Bel Canto Voices along with their director, Janice Kimes, and several chaperones for two days of their east coast tour this month. The group, a Twin Cities (Minneapolis/St. Paul) Girls Choir founded in 1976, is based in Minneapolis but has traveled in concert throughout the world. The young girls of the organization range from the second to twelfth grade. During their stay in Marion, they will give a concert at 7:30 pm on Saturday, June 19 and participate in the 10:00 am service on Sunday, June 20.

Since 1982 the choir has performed regularly with the Minnesota Orchestra but they have also shared the stage with Dave Brubeck, Barry Manilow, and John Denver. They have travelled in concert to Europe (London, Westminster Abbey), to the South Pacific (Fiji), to Canada, and many other areas. They have performed with renowned conductors: Edo De Waart, Leonard Slatkin, Charles Dutoit, Neemi Jarvi, and Sir David Willcocks. They have sung before the King and Queen of Sweden, the ambassadors of Hungary and Britain, and the Vikings Opener in the Metrodome.

Through the diversity of their membership, the repertoire, the performance experience, travel and competition, the choirs throughout the years have encouraged the finest attributes of good will, ability and commitment. They are a testimony to our nation's heritage of accomplishment and vitality. Wherever the Bel Canto Voices travel, they are excellent ambassadors for the United States and we welcome them to Marion.

addition, as part of the distinctive program, Andy was also awarded a Black and Decker Industrial Series tool for personal use.

To warrant award consideration, Andy met a rigorous set of qualifications. A candidate must not only exhibit exemplary effort, but must also merit the endorsement of teachers. According to David Murray, his technology teacher, Andy is the first top student he has had in many years.

Another facet of the Tools for Schools program allows the Technology Department free use of a Black and Decker Master Series Tool for the entire school year. "With the economy squeezing school budgets, its a way to put another tool into the shop, a tool these students will be using day-to-day as they graduate," said Spike Burns of Burns Power Tools. Tools for Schools is a cooperative "hands-on" program undertaken by Burns Power Tools and Black and Decker.

## Mattapoisett Road Race

The twenty-third annual Mattapoisett Road Race, which has become a tradition as part of the town's Fourth of July observance, will be held on Saturday morning, July 3 at 10:00 am. The starting and finishing lines are located opposite Shipyard Park near the town wharf. The race, which has been enthusiastically supported by residents over the years, is an accurately measured 5 mile trek which winds through the town and around the Ned's Point lighthouse. Runners and their friends are urged to park at the Center School parking area on Depot Street near the American Legion hall.

Applications for the race are now available throughout the greater New Bedford area — specifically at Seaport Pharmacy in Mattapoisett. This year, the number of race participants and T-shirt recipients will be limited to the first 600 applicants. Everyone is urged to register early to avoid being left out.

The race has come a long way since that eventful day in 1970 when the school's Army truck convoyed 37 runners to Point Connett for the firecracker starting signal. The early races ended at the gate to the town's bathing beach while Beatrice Ingram gently urged drivers to clear the way.

Throughout the history of the race, donations of

## Old Colony Regional Voke

### *Students Visit Computer Museum*

On Wednesday, June 2, students in Grades 9-11 from the Computer Information Technology shop at Old Colony in Rochester visited the Computer Museum in Boston. Thirty-six students from Rochester, Mattapoissett, Acushnet, Carver, Lakeville, and Freetown along with their instructors had an opportunity to view new exhibits and interact with over 100 computer displays. Staff members at the museum were available to answer questions and assist guests during the tour.

Among the larger displays was a "walk through" computer where students could enter a computer mock-up and observe the workings of input, output, storage and central processing unit functions. The tour group left the museum with a better understanding and appreciation of computers in their everyday life.

### *Admissions Still Be Accepted*

Late applications are still being accepted for the September 1993 freshman class at Old Colony Regional Vocational Technical High School. Any eighth grade student whose parents are legal residents of Acushnet, Carver, Lakeville, Mattapoissett, or Rochester is eligible to apply.

Elected as President was Daniel Fielding (Carver); Vice-President, Kevin Marcondes (Freetown); Secretary, Jennifer Hart (Carver); and Treasurer, Jennifer Hebert (Rochester).

### *Project QUEST*

Project QUEST is co-sponsored by the Governor's Alliance Against Drugs and is intended to provide drug and alcohol prevention education in a "confidence-training environment," combining the resources of state and federal agencies and the military.

The following students were nominated in their respective classes:

- Grade 10: Edwin Brown (Carver), Bridgit Martin (Acushnet), Dean Russell (Rochester).
